

# HRG 536 VL

## Premium Izy 21" Variable Speed Lawnmower

### SMART Drive™

Precise ground speed control with a thumb/palm operated adjustable SMART Drive™ lever.

### Blade brake

Stops the engine and blade when you let go of the handle, for peace of mind.

### Key start

Effortless starting from a compact battery unit that is self-charged from the engine. Fitted in addition to the standard recoil start.

### Large capacity

73 litre grass bag means fewer trips to the compost heap. A built-in rear shield drops down to protect your legs when the bag is removed.

### Selective mulching

Quickly choose between bagging or mulching the clippings to return their nutrients to the lawn, with the turn of a lever.

### Durable deck

High quality, durable steel cutter deck. The rounded design also provides optimal airflow for outstanding grass collection, as well as easy cleaning with no nooks and crannies for wet grass to stick to.

### Efficient 4-stroke engine

New powerful yet economical 160cc GX160 engine for effortless mowing and effective grass collection.

### Easy starting

Auto Choke System ensures the perfect start even in cold weather.

### Easy-to-maneuvre

Thanks to double ball-bearings and extra-wide no-slip wheels manoeuvrability is easier than ever.

The new addition to the Izy range brings premium features and great value to the keen or professional gardener.

With effortless key starting, innovative and comfortable variable speed control, and quick selection between mulching mode or collecting clippings to the large capacity grass bag, the new HRG 536 VL is designed to cut a larger lawn quickly and easily.
