

HRG 416 PK

Izy 16" Push Lawnmower

Blade brake

Stops the engine and blade when you let go of the handle, for added safety and peace of mind.

Folding handle

Allows storage in the smallest of spaces.

Efficient 4-stroke engine

New powerful yet economical 160cc GX160 engine for effortless mowing and effective grass collection.

Easy-to-empty

Large 50 litre capacity grass bag means fewer trips to the emptying area. A built-in rear shield drops down to protect your legs when the bag is removed.

Easy starting

Auto Choke System ensures the perfect start even in cold weather.

Easy cutting

Easy starting, high torque engine means reduced risk of clogging of grass, no matter how thick it is.

Adjustable cut

Easy to adjust lever gives you a choice of six cutting heights.

Durable deck

High quality, durable steel cutter deck. The rounded design also provides optimal airflow for outstanding grass collection, as well as easy cleaning with no nooks and crannies for wet grass to stick to.

Easy-to-maneuvre

Thanks to double ball-bearings and extra-wide no-slip wheels manoeuvrability is easier than ever.

The light and nimble HRG 416 PK easily mows around the tightest lawn. With inset wheels and rounded cutter deck, the Izy makes it easy to cut right up to the edges for a neat finish. A large capacity and easy-to-empty grass bag also means less trips to the compost heap.

The Izy is built to last too, with a durable, easy cleaning steel cutter deck and a new powerful and easy-starting Honda 4-stroke engine.
