

HRX 426 SX

17" Self-propelled Lawnmower

Roto-stop®

When you release the handle, the engine continues but the blades stop – so you can leave the engine running to empty the grass bag or drive across gravel paths with complete safety and peace of mind.

Self-propelled

The engine drives the mower forward, taking the effort out of lawncare.

160cc OHC 4-stroke engine

160cc Honda 4-stroke engine gives high power and torque with renowned durability.

Easy starting

Auto Choke System ensures the perfect start even in cold weather.

Folding handle

Quick and simple folding for easy storage and transporting.

Central height adjust

Choose one of six cutting heights using a single lever.

Polystrong® deck

Durable and rust-proof polypropylene deck allows us to design in extra strength while reducing the overall weight.

Easy-to-manoeuvre

Thanks to double ball-bearings and extra-wide no-slip wheels manoeuvrability is easier than ever.

HRX

The HRX 426 SX is ideal for the smaller lawn offering safe and effortless use. Simply hold the drive lever to the handlebar and let the powerful 4-stroke engine do the work. Honda's unique Roto-stop® technology also allows the engine to run whilst stopping the blades, for quick and safe unloading of the 60 litre grass bag.
