

HRX 537 HZ

21" Hydrostatic Drive Lawnmower

Roto-stop®

When you release the handle the engine continues but the blades stop – leave the engine running to empty the grass bag or drive across gravel paths with complete safety and peace of mind.

Key start

The electric key start ignition makes starting even easier, and is fitted in addition to the standard recoil start.

Versamow System™

Revolutionary 4-in-1 system that allows you to Mulch, Bag, Discharge and Leaf Shred by simply altering the Clip Director.

187cc OHC 4-stroke engine

Powerful GCV190 engine is the lightest in its class. Quiet and kinder to the environment. An Auto Choke System intelligently adjusts for perfect starting and running, whatever the conditions.

9" wheels

Superior traction and a smoother ride. Seven cutting heights give the flexibility for any lawn.

Hydrostatic drive

Smooth hydrostatic drive allows you to cut at your own speed, yet maintains a constant blade speed for a perfect cut.

Quick release folding handle

Quick and simple folding for easy storage and transporting.

Xenoy® deck

An advanced and extremely durable material developed for Honda that does not dent, rust or corrode over time.

Microcut twin blades

Four cutting surfaces create smaller blades of grass that decompose quickly. Combined with the 88 litre bag, you can mow 50% further than previous models, before emptying the bag.

HRX

The HRX 537 is at the forefront of lawnmower technology, delivering the ultimate in performance and durability. This 21" model is ideal for the larger lawn – smooth, quiet performance and hydrostatic drive allowing you to cut your lawn at your own pace. The simple and convenient electric key start ignition makes starting even easier and advanced features ensure you'll achieve the perfect lawn with minimal effort and maximum safety.
